Postdoc Position in the Economics of Child and Youth Development

The Department of Economics of the University of Zurich invites applications for a three year Postdoctoral Research Fellow position starting September 2019 or earlier. The position is within economics of child and youth development with a focus on breastfeeding.

Candidates should hold a PhD degree in Economics with a specialization in applied microeconomics, including research on child development. Preferably, the candidate has a strong expertise either in applied microeconomic methods or in field experiments.

Successful candidates will be appointed for three-years. After three years the contract can be extended for up to another three years. The position does not include any teaching obligations. The Department of Economics offers an exciting research environment, competitive terms and conditions, and generous research support. Knowledge of German is not a requirement.

Complete applications include a cover letter, CV, an example of writing, and at least 2 letters of recommendation and will be reviewed starting November 6, 2018. Applications will be accepted until the position is filled. Interviews will be conducted at the ASSA-AEA meetings in Atlanta, January 2019, through Skype or in Zurich.

In case of any questions regarding the position or application, please e-mail Christine Le Grand: christine.legrand@econ.uzh.ch.

Applications should be submitted online at <https://econjobmarket.org>.
