## 15<sup>th</sup> Workshop on Labour Economics, March 30-31, 2023

### Workshop on Labour Economics 2023

The IAAEU and the Chair of Personnel Economics at Trier University are pleased to announce the **15<sup>th</sup> Workshop on Labour Economics**, taking place **on site** (if possible) **on March 30-31, 2023**.

The workshop offers a venue for scientists to network, and to exchange their most recent research findings and ideas. We encourage both theoretical and empirically oriented submissions. We welcome contributions on topics and perspectives related to labour and personnel economics, such as migration, well-being, human resource management and implications of the COVID-19 pandemic. We particularly encourage PhD students to submit their research.

A time slot of up to 45 minutes is allotted for each presentation, including the discussion. We aim to assign senior workshop participants as discussants to papers presented by PhD students.

### Deadline for Submissions: January 29, 2023

Interested researchers are invited to submit electronic versions of extended abstracts or full papers (preferred) no later than January 29, 2023 to [WLE@iaaeu.de](mailto:WLE@iaaeu.de).

A notification of acceptance for presentation will be sent by the end of February 2023. If accepted, full papers must be submitted by March 19, 2023.

### Conference Fee

We charge a conference fee of 120 EUR to all participants, which covers the costs for lunches and beverages during the workshop, course materials and the conference dinner.
