

Call for Papers

Workshop on Labour Economics 2021, March 25th-26th

Workshop on Labour Economics 2021

The IAAEU and the Chair of Personnel Economics at Trier University are pleased to announce the 13th Workshop on Labour Economics, taking place on 25th-26th March, 2021.

This year, the workshop takes place as a virtual meeting.

The workshop provides a forum that allows scientists to network, while fostering the exchange of research ideas and results across a range of fields, including labour and personnel economics, as well as other related topics (such as health and education economics, demography, and migration). Both theoretical and empirically oriented contributions are welcome. We particularly encourage PhD students to submit their research.

Each presentation will be allotted up to 45 minutes, including the discussion. We aim to assign senior workshop participants as discussants to papers presented by PhD students.

Deadline for Submissions: 22nd January, 2021

Interested researchers are invited to submit electronic versions of extended abstracts or full papers no later than 22nd January, 2021 to wle@iaaeu.de.

Notification of acceptance for presentation will be sent by 26th February, 2021. If accepted, full papers must be submitted by 12th March, 2021.

Keynote

Guido Friebel (Goethe University Frankfurt) will hold the keynote lecture.

Prize for Best Paper

The IAAEU will honour the best paper presented at the workshop with an endowed Best Paper Award.

Further, we offer the possibility of publishing selected contributions in the IAAEU Discussion Papers Series.

No Conference Fee

This year, we charge no conference fee.

Local Organizers

Jonas Feld, Laszlo Goerke

If you have any further questions, please do not hesitate to contact the local organizers at wle@iaaeu.de.
