About Xavier D'Haultfoeuille

Xavier has advanced the foundations of difference-in-differences estimation in complex research designs. In his forthcoming book with Clément de Chaisemartin, **Causal Inference with Differences-in-Differences: Credible Answers to Hard Questions**, he offers a rigorous, modern guide to difference-in-differences. His work has appeared in *Econometrica*, the *American Economic Review*, the *Review of Economic Studies*, and the *Review of Economics and Statistics*. Xavier also serves as Managing Editor of the *Review of Economic Studies*.
